Council will be accepting applications to fill the fixed term contract until **Friday 10 February 2023**. *Late applications may not be considered.*

#### The Position

An excellent career opportunity exists for an enthusiastic, capable, and suitably qualified and experienced person to join the dynamic Longreach Regional Council team as an Asset Manager. This role requires the successful applicant to have a balance between the ability to work through common and complex issues, mentor others and drive resolutions. To be successful in this role you will need to have knowledge of technical and accounting concepts relevant to Asset Management, with exceptional stakeholder management skills.

The primary objective of the Asset Manager role is to provide leadership in asset management and improve asset management practices within Council by managing the development, implementation and review of systems policies and procedures to deliver value for money for Council. The role will proactively manage relationships with Asset Owners throughout the organisation to support the development and activation of asset management plans including inspection, maintenance and replacement schedules.

#### To be successful within this role you will require:

- Class C Drivers Licence.
- Highly developed communication and interpersonal skills with the ability to deal with all levels of the organisation.
- Excellent time management, organisation and planning skills with an ability to prioritise and manage own time to meet critical timeframes.
- Demonstrated knowledge of both technical and accounting concepts related to Asset Management.
- Demonstrated knowledge and understanding of statutory obligations, legislation, codes and standards relevant to Asset Management.
- Experience in Asset Management roles, with relevant qualifications or ability to obtain.

This position offers the opportunity to join a progressive organisation where your contribution will be recognised and valued. This position will be offered on a fixed term contract basis. The package includes:

- An attractive cash component, negotiated with the applicant based on experience and qualifications.
- Superannuation of up to 12% of salary.
- Annual leave of 5 weeks including Leave Loading of 17.5% as well as 15 days sick leave.
- Salary sacrifices options available.
- Ongoing training and professional development is also offered with this position.
