Dear Ann and Peter

Re: Decision on exemption certificate under section 46 of the *Planning Act 2016*

I am writing to inform you that Longreach Regional Council (Council) has decided to approve an exemption certificate for assessable development over 1 Pelican Street, Longreach, formally described as Lot 119 & 120 on L3579, as per the following resolution and as detailed herein.

### **13.2 Exemption Certificate for a Class 10a Shed at 1 Pelican Street, Longreach**

Consideration of an application for an Exemption Certificate for a 170m<sup>2</sup> shed as the effects of the development are minor or inconsequential.

*(Res-2022-11-001)*

*Moved Cr Emslie seconded Cr Bignell*

*That pursuant to Section 46 of the Planning Act 2016, Longreach Regional Council grants an Exemption Certificate for proposed building work assessable against the Planning Scheme for a 170m<sup>2</sup> Class 10a Shed at 1 Pelican Street, Longreach, formally described as Lot 119 & 120 on L3579.*

*CARRIED 6/0*

The reason Council has decided to issue an exemption certificate is because the proposed development is deemed minor and inconsequential. Specifically:

- The shed will not detract from the residential amenity and character of the neighbourhood as:
- Total resulting site cover will be approximately 14% of site area. The Queensland Development Code MP1.2 (Design and siting standard for single detached housing – on lots 450m<sup>2</sup> and over), allows for up to 50% site cover for residential development, before approval is required from Council (through a concurrence agency referral as part of a development application for a Development Permit for Building Work assessable under the Building Act); and

- 
- The proposed shed is consistent with the provisions outlined in the table above (see Figure 3).
  - The shed will be located in the low density residential zone. The shed will be less than 180m<sup>2</sup> in area.
  - It is considered that the shed is of an appropriate scale for the locality and should not have detrimental impacts on adjoining properties.
  - The location and size of the shed will not cause unreasonable impacts on neighbours in terms of privacy, overlooking or shadowing.
