1.0 PARAMETERS OF APPROVAL

- 1.1 The Developer is responsible for ensuring compliance with this development approval and the conditions of the approval by an employee, agent, contractor or invitee of the Developer at all times unless otherwise stated.*
- 1.2 Where these conditions refer to "Council" in relation to requiring Council to approve or be satisfied as to any matter, or conferring on the Council a function, power or discretion, that role of the Council may be fulfilled in whole or in part by a delegate appointed for that purpose by Council.*

- 4.2 *All roof water must be discharged to Miner Road via kerb adaptors. Alternatively, roof water may be captured in rainwater tanks for use on-site.*

5.0 SITE WORKS

**Minutes of the Longreach Regional Council Ordinary Meeting
held on Thursday 27 June 2019 at the Council Boardroom, 96a Eagle Street, Longreach**

6.5 All waste (for example, general waste, recyclable waste, pallets, empty drums etcetera) must be stored within a waste storage area located on an elevated pad above the Defined Flood Level for the site, unless otherwise agreed to in writing by Council. The waste storage area must be screened from view from Miner Road.

Advisory Note: The flood level for the site can be provided by Council upon request.

6.6 All hazardous materials must be stored a minimum of 500mm above the Defined Flood Level for the site.

6.7 Any spillage of environmentally hazardous liquids or other materials must be cleared, and the land restored to its previous environmental condition as quickly as practicable. Any spillage of waste and/or contaminants must not be hosed or swept to any stormwater drainage system, roadside gutter or waters.

ADVISORY NOTES

1. Prior to commencing any construction activities, the applicant/developer will be required to obtain further development permits for building work, and plumbing and drainage work, as required under relevant legislation for this work.
2. This approval does not negate the requirement for compliance with all other relevant Local Laws and other statutory requirements. Any provisions contained in this approval relating to the enforcement of any of the conditions shall be in addition to all other rights, powers and privileges that the Council may possess or obtain, and nothing contained in these conditions shall be construed so as to prejudice, affect or otherwise derogate or limit these rights, powers and privileges of the Council.
