3. PROPERTY DETAILS

Street Address: Landsborough Highway, Longreach Qld 4730
(location shown on approved plans)

Local Government Area: Longreach Regional Council

4. DECISION DETAILS

The following type of approval has been issued:

- Development Permit for Material Change of Use for a Telecommunication Facility

5. CURRENCY PERIOD

The currency period for this development approval is six (6) years starting the day that this development approval takes effect. (Refer to Section 85 "Lapsing of approval at end of currency period" of the Planning Act 2016.)

6. ASSESSMENT MANAGER CONDITIONS

1.0 PARAMETERS OF APPROVAL

- 1.1 The Developer is responsible for ensuring compliance with this development approval and the conditions of the approval by an employee, agent, contractor or invitee of the Developer at all times unless otherwise stated.
- 1.2 Where these conditions refer to "Council" in relation to requiring Council to approve or be satisfied as to any matter, or conferring on the Council a function, power or discretion, that role of the Council may be fulfilled in whole or in part by a delegate appointed for that purpose by Council.
- 1.3 The cost of all works associated with the development and construction of the development including services, facilities and/or public utility alterations required are met at no cost to the Council or relevant utility provider, unless otherwise stated in a development condition.
- 1.4 The developer is required to have repaired any damage to existing infrastructure that may have occurred during any works carried out associated with the development. To the extent the damage is deemed to create a hazard to the community, it must be repaired immediately.
- 1.5 All development conditions contained in this development approval about infrastructure under Chapter 4 of the Planning Act 2016 (the Act), should be read as being non-trunk infrastructure conditioned under section 145 of the Act, unless otherwise stated.
- 1.6 All conditions, works, or requirements of this development approval must be undertaken and completed prior to commencement of use and to Council's satisfaction, unless otherwise stated.

APPROVED PLANS AND DOCUMENTS

- 2.1 The approved development must be completed and maintained generally in accordance with the approved plans and documents, except where amended by the conditions of this approval:

| Plan/Document Name | Plan/Document Number | Revision | Date |
|-------------------------------|----------------------|----------|----------|
| Site Access and Locality Plan | S1 | 1 | 27/05/25 |
| Site Layout | S1-1 | 1 | 27/05/25 |
| North East Elevation | S3 | 1 | 27/05/25 |

- 2.2 Where there is any conflict between the conditions of this approval and the details shown on the approved plans and documents, the conditions of approval prevail.

3.0 VEHICLE ACCESS AND PARKING

- 3.1 Appropriate access is to be provided to the site for construction and maintenance purposes.

4.0 ROOF AND ALLOTMENT DRAINAGE WORKS

- 4.1 Discharge all roof and allotment drainage such that it does not restrict, impair or change the natural flow of runoff water or cause a nuisance to adjoining properties or infrastructure from the pre- to the post-development condition.
- 4.2 All stormwater must drain to a demonstrated lawful point of discharge and must not adversely affect adjoining land or infrastructure in comparison to the pre-development condition by way of blocking, altering or diverting existing stormwater runoff patterns or have the potential to cause damage to other infrastructure.

5.0 ENVIRONMENTAL HEALTH

- 5.1 Undertake the approved development so there is no environmental nuisance or detrimental effect on any surrounding land uses and activities by reason of the emission of noise, odour, wastewater, waste products, dust or otherwise.
- 5.2 Maintain outdoor lighting to comply with AS4282 – “Control of Obstructive Effects of Outdoor Lighting”. All lighting is to be provided to ensure it does not impact airport operations.
- 5.3 All waste storage areas must be kept in a clean, tidy condition, and must be screened from view. Sufficient waste containers and services are to be provided to cater for the containment and removal of all waste generated on the site.

6.0 EROSION AND SEDIMENT CONTROL

- 6.1 Implement and maintain an Erosion and Sediment Control Plan (ESCP) on-site for the duration of the works, and until such time as all exposed soil areas are permanently stabilised (for example, turfed, hydro mulched, concreted, and landscaped). The ESCP must be available on-site for inspection by Council Officers during the works.
- 6.2 The Erosion and Sediment Control Plan must be prepared in accordance with the Best Practice Erosion and Sediment Control document from the International Erosion Control Association, as updated from time to time.

7.0 CONSTRUCTION ACTIVITIES

- 7.1 Construction activity and noise must be limited during earthworks and construction of the approved development to the hours of 06:30 to 18:30 Monday to Saturday, with no work to occur on Sundays or public holidays.
- 7.2 The construction of any works must be undertaken in accordance with good engineering practice and workmanship and generally in accordance with the relevant provisions of Planning Scheme Policy No. 1 – Works Planning Scheme Policy under Schedule 5 of the Longreach Regional Planning Scheme 2015 (v3).
- 7.3 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the development site, unless otherwise approved in writing by Council.

8.0 ASSET MANAGEMENT

- 8.1 Any alteration necessary to electricity, telephone, water mains, sewerage mains and/or public utility installations resulting from the development or in connection with the development, must be undertaken and completed at no cost to Council.

ADVISORY NOTES

- 1. Prior to commencing any construction activities, the applicant/developer may be required to obtain further development permits for operational work (for example, for the relocation of the sewer line if this is required), building work, and plumbing and drainage work, as required under relevant legislation for this work.
- 2. This approval does not negate the requirement for compliance with all other relevant Local Laws and other statutory requirements. Any provisions contained in this approval relating to the enforcement of any of the conditions shall be in addition to all other rights, powers and privileges that the Council may possess or obtain, and nothing contained in these conditions shall be construed so as to prejudice, affect or otherwise derogate or limit these rights, powers and privileges of the Council.
- 3. Compliance must be achieved with any relevant Civil Aviation Safety Authority requirements. The development and operation of the use must not conflict with or adversely impact the operational requirements of the Longreach Airport.
- 4. General environmental duty under the *Environmental Protection Act 1994* prohibits unlawful environmental nuisance caused by noise, aerosols, particles, dust, ash, fumes, light, odour or smoke beyond the boundaries of the development site during all stages of the development including earthworks, construction and operation.
- 5. This development approval does not authorise any activity that may harm Aboriginal cultural heritage. It is advised that under section 23 of the *Aboriginal Cultural Heritage Act 2003*, a person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal cultural heritage (the "cultural heritage duty of care").
