

Dear Neighbour,

You may not be aware, but your dog/s is/are currently causing a noise nuisance in the neighbourhood by barking.

Longreach Regional Council suggested that I contact you first, to express my concern and allow you the opportunity to resolve this situation without making an official complaint and Council intervening.

I understand that all dogs bark, however your dog's barking frequently disturbs the peace and quiet enjoyment of my home.

All that is needed at this stage is your co-operation to stop the excessive barking and hopefully avoid this matter progressing any further.

Kind regards,

Your Neighbour
