☒ Plant operation with maximum seat rating of 150kgs

## Workplace Health and Safety Obligations

All employees have a legal obligation to comply with regulatory requirements and LRC– SMS (*Longreach Regional Council's - Safety Management System*) incorporating WH&S policies, procedures and work instructions. These are introduced to ensure the health and safety of employees, contractors, visitors, volunteers, the public and the environment and remain compliant with Industry Benchmark Standards.

Employees of Longreach Regional Council have the following responsibilities for health and safety at work.

- Take reasonable care of their own health and safety and ensure that their actions do not adversely affect the health and safety of others.
- Comply with and follow all reasonable instructions for work health and safety (WHS) and cooperate with all reasonable WHS policies, procedures, guidance, instructions, and directions.
- To not intentionally or recklessly interfere with or misuse any substance or thing provided in the interests of WHS.
- Use Longreach Regional Council's WHS risk management approach, participate in risk assessments and assist in identifying and using control measures to eliminate or minimise WHS risks.
- Ensure safe work practices including operating and maintaining all machinery, equipment and plant in a safe way and holding licences and training where required.
- Report any worn out or defective tools or equipment or problems with tools and equipment.
- Comply with Council's induction and training requirements.
- Participate in meetings, training, consultation and other WHS activities such as inspections, incident investigations, and evacuation drills as required.
- Use, maintain and store personal protective equipment (PPE) in the appropriate manner.
- Be familiar with emergency and evacuation procedures for their work area and comply with instructions given by emergency response, including emergency wardens and first aiders.
- Report all problems with undertaking work, including concerns or signs of injury, discomfort, or ill health, immediately to their manager or supervisor.

- Report any unsafe situation, workplace hazard, injury, incident, or near-miss to their manager or supervisor immediately.
- STOP WORK if it not safe to continue and report concerns to their manager or supervisor.
- Assist in maintaining a high level of housekeeping, cleanliness, and tidiness.
- Undertake tasks as required to enable continuous improvement for WHS management

## Acknowledgement

This Position Description has been designed to indicate the general nature and level of work performed by employees within this classification. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to the role.
